The Statement setting out the material facts pursuant to Section 102 of the Companies Act, 2013

Item No. 3 & 4

To approve Transactions with Related Parties under Section 188 of the Companies Act, 2013:

The Company had entered into Contracts / arrangements / transactions with the Related Parties mentioned in the resolution during the Financial Year 2019-20. These Contracts / arrangements / transactions are in the ordinary course of business and at arm's length basis. With reduction in the turnover 2019-20, due to economic slowdown and impact of Covid-19 in the last 5 months of Financial Year 2019-20, the aggregate value of the Contracts / arrangements / transactions with the Related Parties mentioned in the resolution crossed 10% of the threshold limit, especially on account of the purchase from a Related Party viz. Seth Iron & Steel Private Limited for an aggregate amount of Rs. 6,85,44,803/- during the Financial Year 2019-20. Hence, the approval of the members could not be obtained earlier as required under Regulation 23 of the SEBI LODR Regulations, 2015.

The provisions of Section 188 of the Companies Act, 2013 read with Companies (Meetings of Board and its Powers) Rules, 2014 exempts from the requirement of approval of the shareholders, with respect to transaction(s) entered into by a Company with its related parties, in the ordinary course of business and done on arm's length basis.

However, as per Regulation 23 of SEBI (LODR) all the material related party transactions require shareholders' approval and a transaction with a related party shall be considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds 10% of the annual consolidated turnover of the Company as per the last audited financial statements of the Company.

Therefore, keeping in view the intent of the Companies Act, 2013, Listing Regulations and for better Corporate Governance, the Company seeks ratification / approval of the shareholders for the transaction(s)/ arrangement(s) entered into with the related Parties viz. Seth Iron & Steel Private Limited for an aggregate amount of Rs. 6,85,44,803/- during the Financial Year 2019-20.

With respect to the proposed Contracts / arrangements / transactions with the Related Parties with effect from 01st October, 2021 till 31st March, 2026, based on the advice of the Audit Committee as an abundant precaution, the approval of the Members of the Company is being sought to avoid a situation like the one happened in 2019-20.

The concerned promoters and their relatives who are directly and / or indirectly concerned or interested financially or otherwise, in these proposed resolutions shall not participate in passing of these resolutions as proposed under item no. 3 & 4 of the Notice convening the Annual General Meeting of the Company.

Although, the said transaction is not 'material' in nature, the consent of the shareholders through resolution is sought as an abundant caution.

Therefore, keeping in view the intent of the Companies Act, 2013, Listing Regulations and for better Corporate Governance, the Company seeks approval of the shareholders for the transaction(s)/ arrangement(s) entered into with the related Parties.

The key details regarding the transaction(s)/arrangement(s) and all the prescribed disclosures as required pursuant to Rule 15 of the Companies (Meetings of Board and its powers) Rules, 2014, are given here-in-below for the kind perusal of members:-

a.	Name of the Related Party	Seth Iron & Steel Private Limited

d.	Nature, material terms, monetary value and particulars of the contract or arrangements	Purchase from Related Party, Prevailing market price. Various transactions aggregating to Rs. 6,85,44,803/- (Ordinary course of business at arm's length basis)

Any other information relevant or important for the Board to take a decision on the proposed transactions:

The Board of Directors of the Company has approved this item in the Board Meeting, on the recommendation of the Audit Committee held on August 12, 2021 and recommends the resolution as set out in the accompanying Notice under Sr. No. 3 & 4 for the approval of members of the Company as Special Resolutions.

Members are hereby informed that pursuant to second proviso of Section 188 of the Companies Act, 2013, no member of the Company shall vote on resolution to approve any contract or arrangement which may be entered into by the Company, if such member is a related party in the context of the proposed contract for which these Special Resolutions are being proposed.

All the material documents referred to in the accompanying Notice shall be open for inspection by the Members at the Registered Office of the Company during office hours on all working days except Saturdays, Sundays and Public Holidays between 11.00 a.m. and 1.00 p.m. till last date of receipt of the postal ballot.

None of the Directors or Key Managerial Personnel of the Company or their relatives except those Directors of the Company and their relatives / their group companies / entities as tabled below, are concerned or interested, financially or otherwise, in the Resolutions and the following persons, belonging to the Promoter / Promoter Group shall not participate and / or vote in passing of both the resolutions :

LETTER FROM THE CHAIRMAN

Dear Members,

I would like to extend my warm welcome to you all, to the 30th Annual General Meeting of the Company.

As you are all aware that Financial Year 2020 - 21, was a very challenging year for the global economy and the steel industry in particular. These unfavorable conditions inevitably affected our results adversely during last couple of years. In addition, to this pandemic caused by Covid-19 has downgrade the performance and financial performance of the Company.

On the operational front, the Company on standalone basis has recorded net revenue of Rs. 2446.62as compared to Rs. 3250.44Lakhs of previous year. The Company has incurred a loss before tax and exceptional item Rs. 306.50 Lakhs as compared to previous year's profit before tax and exceptional item of Rs. 231.90Lakhs. The Company has gained net profit after tax Rs. 5075.93 Lakhs (This was due to an exceptional gain bay way of sale of shares in Tubacex Prakash India Pvt. Ltd. and reversal of Income Tax Expenses)as compared to previous year's net loss after tax of Rs. 23.80 Lakhs. The Earning Per Share (EPS) stood at Rs. 2.90.

Despite of the adverse situations, the Company continues to work and to strive towards making permanent structural changes that will allow the company not just to survive, but to grow in the future.

We are facing serious challenges, but we will not be bowed down from achieving our principal objective i.e. to earn a preeminent position in manufacturing high grade stainless steel products in India.

We are committed and determined to make the Company once again profitable, competitive and capable to achieve even greater success in the future.

I would like to express my sincere appreciation to our shareholders for the support and confidence reposed in us, and all other stakeholders and Government agencies, our bankers for the continuing commitment and support in your Company. We look forward for your continued support in this crucial time with the Company.

FINANCIAL PERFORMANCE / OVERVIEW

During the year under review, the total revenue for the year ended March 31, 2021 is Rs. 2,537.71 Lakh as compared to Rs.3,325.92 Lakh in the previous year on Standalone basis. The Company incurred a loss of (Rs. 306.50) Lakhs before exceptional item for the year against the profit of Rs. 231.90 Lakhs in the previous year.

The Company is in the process of coming out of the crisis through business restructuring and financial arrangement. Further, lenders have sanctioned One Time Settlement (OTS) for an overall amount of INR 90.00 Crores. The Company has already paid INR 50.62 crores on 31stMarch, 2021, leaving the balance of Rs. 39.38 crores to be paid in coming months.

COVID-19 PANDEMIC / STATE OF AFFAIRS OF THE COMPANY

The Company's manufacturing and sales operations were hit substantially due to the nation-wide stringent lockdown imposed by the Government of India towards the end of March 2020 which brought the economic activities to a standstill resulting adverse impact on revenue growth and profitability of the Company in the first quarter of FY 2021.

The restriction in movement have led to depression in market and decrease in manpower requirement which further resulted in idling of work force. With the gradual lifting of the lockdown, the Company restarted its operations in a phased manner by prioritizing the safety and security of employees, customers and other stakeholders.

The Company has gained net Profit After Tax Rs. 5075.93 Lakhs (This was due to an exceptional gain bay way of sale of shares in Tubacex Prakash India Pvt. Ltd. and reversal of Income Tax Expenses)as compared to previous year's net loss after tax of Rs. 23.80 Lakhs.

Work from Home policy and the Government guidance on social distancing enabled us to successfully conduct Board Meetings, Annual General Meeting and stakeholders meetings via virtual mode.

Despite the second and third wave of Covid, the economic activities have started recovering with the gradual relaxation in mobility restrictions. The Company is closely monitoring the market trend and behavior and taking appropriate steps for revival of the operations and performance of the Company.

REMUNERATION POLICY

The Remuneration Policy (“Policy”) of Prakash Steelage Limited (the “Company”) is designed to attract, motivate and retain manpower in a competitive market. The policy reflects the Company’s objectives for good corporate governance as well as sustained long-term value creation for shareholders.

The Policy applies to the Company’s Board of Directors, Senior Management, including its Key Managerial Person (“KMPs”).

Guiding principles

The guiding principle is that the remuneration and the other terms of employment shall be competitive in order to ensure that the Company can attract and retain competent Executives.

The Remuneration Policy for Executives reflects the overriding remuneration philosophy and principles of the Prakash Steelage Limited. When determining the remuneration policy and arrangements for Executive Directors / KMPs, the Nomination and Remuneration Committee (“Committee”) of the Board of Directors of the Company considers pay and employment conditions with peers / elsewhere in the competitive market to ensure that pay structures are appropriately aligned and that levels of remuneration remain appropriate in this context.

The said Committee while designing the remuneration package considers the level and composition of remuneration to be reasonable and sufficient to attract, retain and motivate the person to ensure the quality required to run the Company successfully.

The said Committee while considering a remuneration package must ensure a balance between fixed pay and variable (incentive) pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

Reward principles and objectives

Our remuneration policy is guided by a common reward framework and set of principles and objectives as particularly envisaged under section 178 of the Companies Act 2013, inter alia principles pertaining to determining qualifications, positives attributes, integrity and independence etc.

Reward policies

1. **Attract and retain:** Remuneration packages are designed to attract high calibre Executives in a competitive global market and remunerate Executives fairly and responsibly. The remuneration shall be competitive and based on the individual responsibilities and performance.
2. **Motivate and reward:** Remuneration is designed to motivate the Executives to deliver to the best of their skills, knowledge, create a strong performance-orientated environment and reward achievement of meaningful targets over the short and long term.
3. **The principal terms of non-monetary benefits:** The Executives will be entitled to customary non-monetary benefits which will be decided mutually in individual cases.

Executive Remuneration – Board of Management

Executive remuneration is proposed by the Chairman/Managing Director to the said Committee and subsequently on the recommendation of the Committee; the same is approved by the Board of Directors of the Company. Executive remuneration is evaluated annually against performance and a benchmark of Peer Companies, which in size and complexity are similar to Prakash Steelage Limited. Benchmarks may be decided in advance. The total remuneration shall have optimum mix of fixed base salary and a variable salary such as incentive as per prevailing market practices.

The same shall be set at a level aimed to attract and retain Executives with professional and personal competences to drive the Company's performance.

Pension contributions made in accordance with applicable laws and employment agreements.

Severance payments in accordance with termination clauses in employment agreements. Severance payments shall comply with local legal framework.

Disclosure of Information

Information on the total remuneration of members of the Company's Board of Directors, Executive Board of Management and Senior Management may be disclosed in the Company's Annual Financial Statements. This includes any deferred payments and extraordinary contracts during the preceding financial year.

Approval of the Remuneration Policy

This Remuneration Policy shall apply to all employment agreements of the Company's Senior Management including Executive Directors and Key Managerial Persons. The Remuneration Policy shall act as guidance for the Board.

Dissemination

The Company's Remuneration Policy shall be published on its website i.e. www.prakashsteelage.com

Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the Corporate Conducts/Statutory Compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2021, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2021 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder (*except some instances where the Company has filed e-Form after prescribed time. The Company availed benefit of immunity offered by MCA under CFSS for filing those e-forms*);
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings (*Not Applicable as there were no instances of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings during the year under review*);
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (**Not Applicable** for the year under review);
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and The Securities and Exchange Board of India (Share based Employee Benefits) Regulations, 2014 (**Not Applicable** for the year under review);
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (**Not Applicable** for the year under review);
 - (f) The Securities and Exchange Board of India (Registrar to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (**Not Applicable** for the year under review); and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (**Not Applicable** for the year under review).

(vi) Other laws applicable specifically to the Company:

- a) The Air (Prevention and Control Pollution) Act, 1981 and rules made thereunder;
- b) The Water (Prevention and Control Pollution) Act, 1974 and rules made thereunder;
- c) The Environment (Protection) Act, 1986 and the rules made thereunder; and
- d) Hazardous Wastes (Management, Handling and Transboundary Movement) Rules, 2008.

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by the Institute of Company Secretaries of India; and
- (ii) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following exceptions / observations:

- a) *The account of the Company with its consortium Banks had turned Non Performing Asset during the previous financial year on various dates. In view of uncertainty the Company has not provided interest including penal interest and other dues also for the year ended 31st March, 2021, on borrowings, to the extent, the same have remained unpaid. The impact of the same on the loss for the year and its consequent effect on liabilities and Reserves & Surplus is not ascertainable.*
- b) *The Financial Statement indicates that the Company has accumulated losses resulting in erosion of net worth. These conditions cast serious doubts about the Company's ability to continue as going concern. However, the financial Statements of the Company have been prepared on going concern basis.*
- c) *The Company has not filed Cost Audit Report for the Financial year 2020-21 with MCA.*

We further report that

Based on the information provided by the Company, its officers and authorized representatives during the conduct of the audit, and also on the review of compliance reports by the respective Department Heads / Company Secretary / CFO / KMP taken on record by the Board of Directors of the Company, in our opinion, adequate systems and processes and control mechanism exist in the Company to monitor and ensure compliance with applicable general laws like labour laws, competition law, environmental laws and all other applicable laws, rules, regulations and guidelines. The Company has responded to compliance requirements, notices for demands, claims, penalties etc. levied, by statutory/regulatory authorities and initiated actions for corrective measures and compliance thereof.

We further report that the compliance by the Company of applicable financial laws, like direct and indirect tax laws, and Labour Law Compliances have not been reviewed in this Audit since the same have been subject to review by statutory financial audit and other designated professionals.

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. No changes in the composition of the Board of Directors took place during the period under review.

We further report that

Adequate notice is given to all directors to schedule the Board Meetings along with the agenda generally at least seven days in advance and detailed notes on agenda were sent well in advance before the meeting and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at the Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

We further report that during the year under review, there were **no events** viz.

- (i) Public / Right /sweat equity;
- (ii) Redemption/Buy-back of securities;

- (iii) Merger / amalgamation / reconstruction, etc; and
- (iv) Foreign technical collaborations; or
such other specific events / actions in pursuance of the above referred laws, rules, regulations, guidelines, etc.,
having any bearing on the Company's affairs.

Except the following event:

Consequent to the Company's disinvestment of its shareholdings in "Tubacex Prakash India Private Limited", to Tubacex S.A. on 30th March, 2021, further to the Special Resolution passed by the Members at the Extraordinary General Meeting of the Company held through video conferencing on 29th March, 2021 approving disinvestment of 32,47,000 (32.47%), "Tubacex Prakash India Private Limited", ceased to be an Associate Company of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS

The Management of Prakash Steelage Limited, presents its analysis report covering performance and outlook of the Company. The core business of the Company is manufacturing and exporting stainless steel tubes and pipes. It has its registered office located in Mumbai, Maharashtra and plant located at Silvassa (UT – Dadra & Nagar Haveli) The Management accepts responsibility for integrity and objectivity of the Financial Statements of the Company.

Industry Structure and Developments:

Worldwide production of steel pipe is expecting the year 2020-2021 onwards an upward trend. According to estimates of the German Steel Tube Association, the outlook for the steel pipe industry has improved since 2016. It predicts that investment activities in the energy sector, which had practically reached a complete standstill after the crude oil price collapse in 2015, are starting to return to normal. In addition to the resulting backlog, the cyclical upswing in raw material and steel prices should benefit the sector just as much as the continued robust economic activity in the industrialized world. Playing important roles are the relatively favorable energy prices, expansive fiscal policies, and the favorable euro-to-dollar exchange rate. On top of this, the association expects North America's anticipated expansive economic policies, and an energy policy that puts a stronger focus on fossil fuels, to have a positive effect on the steel pipe industry. Global Stainless Steel Pipes and Tubes market is projected to display a sustainable growth represented by a CAGR of over 3.55% during 2017 - 2022, primarily driven by rising energy demand and production of vehicles. The Stainless Steel Pipe and Tube is expected to lead the market in the forecast period. Among the regions, Asia Pacific accounts for the largest regional share in the Global Stainless Steel Pipe and Tube Market in 2016. However, Asia Pacific is also projected to progress at the highest rate, mainly driven by construction of major infrastructural projects and power projects and increasing demand of oil and gas. Additionally, the investment in Water supply and desalination projects foster the demand of stainless steel pipe and tube.

Opportunities, Threats, Risks and Concerns:

As is normal and prevalent for any business, the Company is likely to face competition from large scale imports. There can be risks inherent in meeting unforeseen situation, not uncommon in the industry. Company is fully aware of these challenges and is geared to meet them. Company also recognizes the risks associated with business and would take adequate measures to address the associated risks and concerns. Some of these factors include competition from multinational Companies, duty free imports by customers against export obligations, our pricing strategy being mainly dependent on import affairs and dependence on imported raw material.

Segment – wise or Product wise performance:

Pursuant to the Joint Venture Agreement executed between Tubacex S.A. Spain and the Company dated 13th February, 2015, in order to reduce its bank debts. However, the Company sells all its shareholdings in "Tubacex Prakash India Private Limited", to Tubacex S.A. on 30th March, 2021, further to the Special Resolution passed by the Members at the Extraordinary General Meeting of the Company held through video conferencing on 29th March, 2021 approving disinvestment of 32,47,000 (32.47%). and delete th company to seamless division.

Outlook:

The second half of the covid-struck financial year 2020-21 saw an unprecedented rally in domestic steel prices which seems unstoppable even in the current FY22. Domestic flat steel - Hot Rolled Coiled (HRC) prices are up 40% since April 2020 and prices of long steel – TMT are nearly 30% higher as on March 2021. Steel prices continue to set new record highs month after month. In April 2021, domestic steel players announced further price hikes by up to Rs 1,000-2,000 per tonne in HRC and around Rs 3,000 per tonne in CRC. HRC are offered at Rs 59,700-60,000 per tonne in April 2021, up from Rs 36,950 per tonne in April 2020. This is the highest level seen since 2008, the year of the financial crisis.

During FY21, export of finished steel from India was higher by 29.1% at 10.8 million tonnes as compared to export during FY20, mainly driven by China. Share of export to Italy rose to 22% in March 2021 from 12% in March 2020. Share of export to Spain and Hong Kong rose to 5% and 10%, respectively from just under 1% in March 2020. India was net exporter of finished steel during FY21 with net trade surplus of six million tonnes.

In FY22, crude steel production is expected to reach 112-114 million tonnes, which would be a growth of 8-9% yoy. The crude steel production is expected to be marginally higher than FY19 when India produced nearly 111 million tonnes of crude steel. Steel demand will be supported by economic recovery, government spending and enhanced liquidity. The Union Budget for 2021-2022 has a sharp 34.5% yoy increase in allocation for Capex at 5.54 lakh crore. The budget's thrust is on infrastructure creation and manufacturing to propel the economy. Therefore, enhanced outlays for key sectors like defence services, railways, and roads, transport and highways would provide impetus to steel consumption which is expected to grow by 10-12% in FY22 to cross 100 million tonnes for the first time ever.

Internal Control systems and their adequacy:

The Company has in place adequate Internal Financial Controls with reference to financial statements and such internal financial controls are operating effectively. INDEPENDENT AUDITOR'S REPORT ON AUDIT OF ANNUAL FINANCIAL STATEMENTS

To The Members of **Prakash Steelage Limited**
(CIN: L27106MH1991PLC061595)

Qualified Opinion

We have audited the accompanying Ind AS financial statements of Prakash Steelage Limited ("the Company") which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the basis for qualified opinion and emphasis of matters section below, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian accounting standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2021, and its profit, total comprehensive gain, its cash flows and the changes in equity for the year ended on that date.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibility for the Audit of the Ind AS financial statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our qualified opinion on the Ind AS financial statements.

Basis for Qualified Opinion

- a) The account of the company with its consortium banks has turned Non-Performing Asset on various dates. In view of uncertainty the company has not provided interest including penal interest and other dues for the year ended March 31, 2021 on borrowings, to the extent the same have remained unpaid. The impact of the same on its consequent effect on the Liabilities and Reserve & Surplus is not ascertainable. However, the lenders have sanctioned one time settlement for the overall amount of INR 90 Crores against which Company has already paid INR 50.61 Crores to the lenders. This matter was also qualified in our report on the Ind AS financial statements for the year ended March 31, 2020.
- (b) The Company has accumulated losses resulting in erosion of Net Worth and has incurred net cash losses in the previous Financial Years. These conditions cast serious doubt about the company's ability to continue as a going concern. However, the Ind AS financial Statement of the Company has been prepared on a going concern basis. This matter was also qualified in our report on the Ind AS financial statements for the year ended March 31, 2020.

Material Uncertainty related to Going Concern

We draw attention to Note 34 to the financial statement, which indicates that during the year ended 31st March, 2021, the Company's current liabilities exceeded its current assets by INR 226.62 Crores. These events or conditions, along with other matters as set forth in Note 32, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, the Ind AS financial statements of the Company have been prepared on a going concern basis for the reasons stated in the said note.

Emphasis of Matter

We draw attention to:

- a) Note no. 33 of Ind AS Financial Statement stating that the sanction of One Time Settlement (OTS) offers by all the consortium banks for Rs. 90 crores, the Company has already paid the first tranche of Rs. 50.62 crores leaving the balance of Rs. 39.38 crores. Further, as on March 31, 2021; the total bank borrowings of above lenders is appearing at INR 217.85 crores, against the said outstanding, the bank had approved OTS amount of INR 90.00 crores. As per management assessment, the differential portion of borrowing i.e. INR 127.85 crores will be accounted as income (remission of bank liability) in the financial year in which the Company will make full and final payment towards the sanctioned OTS amount along with the fulfilment of other conditions mentioned therein and receipt of No-dues certificate from the these lenders.
- b) We draw attention to Note 37 of the accompanying Ind AS financial statement, as regards to management's evaluation of uncertainties relating to COVID-19 and its consequential effect on the carrying value of the assets as at 31st March, 2021 and the operations of the Company.
- c) Note no. 8(i) of the Ind AS financial statement stating that Company has written off the outstanding receivable balance amounting to INR 46.65 Crores against which the provision for bad and doubtful debts was already made through profit and loss account during the year ended March, 2017. Considering the long outstanding receivable and decision of the Board of Directors. Company is written off such receivable.
- d) Note no. 35 of Ind AS Financial Statement stating that some of the balances of Trade Receivables, Deposits, Loans & Advances, Advances received from customers, Liability for expenses and Trade Payable are subject to confirmation from the respective parties and consequential reconciliation/adjustment arising there from, if any. The management, however, do not expect any material variation.
- e) Note no. 40 of the Ind AS financial statement stating that, during the year; Company has recalculated the deferred tax liability on the basis of balance sheet approach and accordingly, reversed the excess tax liability in the accompanying Ind AS financial statements for year ended March, 2021.
- f) Company had made payments on behalf of vendors to certain other parties, for which balance confirmation and tri parties agreement was not made available to us for our review.

Our Conclusion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis for Qualified Opinion section, emphasis of matter and Material Uncertainty Related to Going Concern section of our report, we have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	<p>Sale of Shares, Exceptional item represents the profits earned on sale of investment in Tubacex Prakash India Private Limited amounting to INR 47,36,94,942.</p>	<p>Company has sold its investment in Tubacex Prakash India Private Limited of 32,47,000 shares of face value of INR 10 each amounting to INR 3,24,70,000 at INR 50,61,54,142. The Company has received the total consideration against these shares from Tubacex S.A. Spain as per the terms of Share purchase agreement dated 30th March, 2021.</p> <p>Accordingly, the Company had disclosed an amount of INR 47,36,94,942 as exceptional income in the audited financial statement for the year ended 31st March, 2021.</p> <p>We have been provided with the valuation report for the sale of these shares issued by independent third party, share purchase agreement, board resolution and bank receipt details.</p> <p>We have noted that this independent professional who has conducted the valuation of share is appointed by the consortium lender of the Company.</p> <p>Further, there was an additional report provided by the management where another independent professional has evaluated the value of these share by applying discounted cash flow method.</p>
2	<p>One Time Settlement approved by the consortium lenders and part payment of OTS instalment.</p>	<p>As per the sanction of One Time Settlement (OTS) offer by all the consortium banks for Rs. 90 crores, the Company has already paid the first tranche of Rs. 50.62 crores leaving the balance of Rs. 39.38 crores. Further, as on March 31, 2021, the total bank borrowings of above lenders are appearing at INR 217.85 crores, against the said outstanding, the bank had approved OTS amount of INR 90.00 crores. As per management assessment, the differential portion of borrowing i.e. INR 127.85 crores will be accounted as income (remission of bank liability) in the financial year in which the Company will make full and final payment towards the sanctioned OTS amount along with the fulfilment of other conditions mentioned therein and receipt of No-dues certificate from these lenders.</p> <p>We have been provided with the OTS sanction letter approved by the all the consortium lenders of the Company individually. In addition to the same, the Company has also provided us a letter from bank of Baroda where the proportionate distribution amongst all the consortium lenders has been documented.</p> <p>We had also sought independent balance confirmation from all the consortium banks.</p>

Sr. No.	Key Audit Matter	Auditor's Response
		<p>Based on the review of all the other documents, we have noted that there is a specific mention in the OTS sanction, that the Company has to fulfil the entire payment obligation and the other conditions mentioned therein to successfully close the OTS sanction.</p> <p>Also, we have noted that the banks had adjusted the proceeds of first tranche of OTS against their outstanding amounts.</p>
3	Write off of Trade Receivables of INR 46.65 Crores.	<p>We have involved our internal experts to review the nature of amount recoverable and found that company has initiated legal action to recover the debts against the long outstanding doubtful debts of INR 46.65 Crores. The Company foresees remote chance of recovery of the said debts and accordingly, based on the conservative approach, the board of directors of the Company has taken the decision to written off these doubtful debts.</p> <p>Further, the provision of doubtful debts against these receivables has already been made during year ended March, 2017 and hence, there is no profit and loss impact of these write off in the current financial year.</p>

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Director's report and annexure to the same but does not include the standalone financial statements and our auditor's report thereon. The Director's report and its annexures are expected to be made available to us after the date of this auditor's report date.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information "identified above when it becomes available" and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- When we read the Director's report and its annexures, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies;

making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit or the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of materials misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of international control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143 (3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- d) Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced.

We consider quantitative materiality and qualitative factors in

- (i) Planning the scope of our audit work and in evaluating the results of our works; and
- (ii) To evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, based on our audit we report that:

- a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- b) Except for the possible effects of the matters described in the Basis for Qualified Opinion and Emphasis of matter section above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
- d) Except for the possible effects of the matters described in the Basis for Qualified Opinion and Emphasis of matter section above, in our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) The matters described in the Basis for Qualified Opinion and Emphasis of matter section above and Material uncertainty related to Going Concern section above, in our opinion, may have an adverse effect on the functioning of the Company.
- f) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- g) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion section above.
- h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses unmodified opinion on the operating effectiveness of the Company's internal financial controls over financial reporting for the reasons stated therein.
- i) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- j) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure A to the Independent Auditors' Report

Referred to in paragraph 1(h) under the heading 'Report on other Legal and Regulatory Requirements' of the Independent Auditors' Report of even date to the members of Prakash Steelage Limited on the financial statements for the year ended 31st March, 2021:

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Prakash Steelage Limited ("the Company") as of 31st March, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2021

1 GENERAL INFORMATION

Prakash Steelage Limited is one of the leading manufacturer as well as exporter of stainless steel, welded pipes & tubes in the Indian steel industry accredited with ISO 9001-2008, ISO 14001-2004, OHSAS 18001-2007, PED certification. The company is listed on Bombay Stock Exchange and National Stock Exchange.

The Company is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The address of its registered office is 101, 1st Floor, Shatrunjay Apartment, 28 Sindhi Lane, Nanubhai Desai Road, Mumbai-400004.

2 SIGNIFICANT ACCOUNTING POLICIES

2.01 Statement of Compliance :

These financial statements of the Company comprising of Balance Sheet, Statement of Profit and Loss, Statement of changes in Equity and Cash Flow Statement together with the notes have been prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") as amended by the Companies (Indian Accounting Standards) Rules, 2016, The Companies (Indian Accounting Standards) Rules, 2017 and other relevant provisions of the Companies Act, 2013.

2.02 Basis of Preparation and Presentation :

The Financial Statements have been prepared on the historical cost basis except for defined benefit plans which are measured at fair value at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability if market participants would take those characteristics into account when pricing the assets or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

The financial statements are presented in Indian currency (INR) which is the Company's functional and presentation currency.

The financial statements were approved by the Board of Directors on 25th June, 2021.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III (Division II) to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current-non current classification of assets and liabilities.

2.03 Revenue Recognition :

Pursuant to notification issued by Ministry of Corporate Affairs (MCA) on March 28, 2018, the Company has adopted Ind AS 115 on "Revenue from Contracts with customer" w.e.f. accounting period on and after 1st April, 2018 using full retrospective approach which do not have material impact on the financial statement of the company.

- a) Revenue from sale of goods is recognised when the following conditions are satisfied.
 - i) The Company has transferred the significant risks and rewards of ownership of the goods to the buyer which generally coincides when the goods are despatched in accordance with the terms of sale;
 - ii) The Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;

- iii) The amount of revenue can be measured reliably;
 - iv) It is probable that the economic benefits associated with the transaction will flow to the Company;
 - v) The costs incurred or to be incurred in respect of the transaction can be measured reliably.
- b) Export Incentive/ benefit have been recognised at the time of making the export sales and the same is valued on estimated monetary benefits receivable there of. It is certain to receive the same.
- c) Job work income is recognized, net of Goods and Service tax (GST), when related services are provided.

2.04 Other Income:

- a) Interest income is recognised on accrual basis.

2.05 Purchases

Purchase including import purchases are recognized net of refundable duties and taxes at the time of receipt of goods. Refundable duties and taxes on purchase of raw materials, other eligible inputs and capital goods are adjusted against duties and taxes payable. The unadjusted credits of such duties and taxes are shown under the head other current/ non-current assets.

2.06 Property, Plant and Equipment:

Property, plant and equipment is stated at acquisition cost inclusive of expenses directly attributable to acquisition of such assets net of accumulated depreciation, refundable duties and taxes and accumulated impairment losses, if any. Subsequent costs are included in the asset's carrying amount or recognised as asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

Gains or Losses arising on retirement or disposal of property, plant and equipment are recognised in the Statement of Profit and Loss.

The management's estimate of useful lives are in accordance with Schedule II to the Companies Act, 2013. Depreciation on fixed assets is provided on Written Down Value (WDV) method. The useful life, residual value and the depreciation method are reviewed atleast at each financial year end and adjusted prospectively.

Capital Work in Progress/ intangible assets under development are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing costs.

2.07 Intangible Assets:

Intangible assets are stated at acquisition cost, net of accumulated amortisation and accumulated impairment losses, if any. Intangible assets are amortised on a straight line basis over their estimated useful lives. The amortisation period and amortisation method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly. As at March, 2021; there is no intangible assets in the Company.

2.08 Impairment of assets:

Property, plant and equipment with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset or a cash-generating unit is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) earlier.

2.09 Financial instruments:

1. Initial recognition and measurement

Financial assets and/or financial liabilities are recognised when the Company becomes party to a contract embodying the related financial instruments. All financial assets, financial liabilities are initially measured at fair value. Transaction costs that are attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from as the case may be, the fair value of such assets or liabilities, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

2. Financial assets:

Classification and subsequent measurement of financial assets:

a) Classification of financial assets:

- (i) The Company classifies its financial assets in the following measurement categories:
 - those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
 - those measured at amortised cost.
- (ii) The classification is done depending upon the Company's business model for managing the financial assets and the contractual terms of the cash flows.
- (iii) For investments in debt instruments, this will depend on the business model in which the investment is held.
- (iv) The Company reclassifies debt investments when and only when its business model for managing those assets changes.

b) Subsequent Measurement

(i) Debt instruments:

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

(1) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(2) Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are subsequently measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

(3) Financial assets at fair value through profit or loss (FVTPL)

Financial assets are subsequently measured at fair value through profit or loss unless it is measured at amortised cost or fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

(ii) Equity instruments :

The Company subsequently measures all equity investments at fair value. There are two measurement categories into which the Company classifies its equity instruments:

Investments in equity instruments at FVTPL:

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for equity instruments which are not held for trading.

Investments in equity instruments at FVTOCI:

On initial recognition, the Company can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserve for 'equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to Statement of Profit and Loss on disposal of the investments.

c) Impairment of financial assets:

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset. For trade receivables, the Company measures the loss allowance at an amount equal to lifetime expected credit losses. Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

d) Derecognition of financial assets:

A financial asset is primarily derecognised when:

1. the right to receive cash flows from the asset has expired, or
2. the Company has transferred its rights to receive cash flows from the asset; and
 - (a) the Company has transferred substantially all the risks and rewards of the asset, or
 - (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset in its entirety (other than investments in equity instruments at FVOCI), the differences between the carrying amounts measured at the date of derecognition and the consideration received is recognised in the Statement of Profit and Loss.

3. Financial liabilities and equity instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instrument is recognised and deducted directly in equity. No gain or loss is recognised in the Statement of Profit and Loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial Liabilities

Classification and subsequent measurement

The Company's financial liabilities include trade and other payables, loans and borrowings and derivative financial instruments. Subsequent measurement of financial liabilities depends on their classification as fair value through Profit and loss or at amortized cost. All changes in fair value of financial liabilities classified as FVTPL are recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. After initial recognition the financial liabilities are measured at amortised cost using the Effective Interest Rate method.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. Gains and losses are recognized in profit and loss when the liabilities are derecognized.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and presented on net basis in the Balance Sheet when there is a currently enforceable legal right to offset the recognised amounts and there is an intention either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

2.10 Inventories:

- i) Raw materials have been valued at lower of cost or net realisable value based upon FIFO method except where the material is specifically identifiable.
- ii) Work in Progress has been valued on Cost of Raw-material and other direct costs depending upon the stage of completion in general.
- iii) Finished goods and trading stocks have been valued at lower of costs or net realisable value based upon FIFO method except where the finished goods are specifically identifiable.
- iv) Scraps, defectives and inferior production have been valued at net realisable value.
- v) Stores, spares and consumables have been valued at lower of cost or net realisable value.

Cost/Rate considered above for valuation of inventory is exclusive of Cenvat, refundable CVD and GST component and inclusive of other direct cost incurred for acquiring the respective material.

2.11 Foreign currencies:

Items included in the financial statements of the Company are recorded using the currency of the primary economic

environment (INR) in which the Company operates (the 'functional currency').

2.12 Employee Benefits:

Retirement benefit costs and termination benefits:

Defined Contribution Plans

Payment to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

Contributions to Provident Fund and Employees State Insurance Corporation, which are defined contribution plans, are made as required by the statute and expensed in the Statement of profit and loss.

Defined Benefit Plans

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement comprising actuarial gains and losses and the effect of the changes to the return of plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in the other comprehensive income is reflected immediately in retained earnings and is not reclassified to Statement of Profit and Loss. Past service cost is recognised in Statement of Profit and Loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

The Company presents the first two components of defined benefit costs in the Statement of Profit and Loss in the line item "Employee benefits expense". Curtailment gains and losses are accounted for as past service cost.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for the termination benefit is recognized at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognizes any related restructuring costs.

Short-term and other long-term employee benefits:

Liabilities recognized in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange of related service.

Liabilities recognized in respect of other long-term employee benefits are measured at present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employee upto the reporting date.

2.13 Finance Costs:

- (a) Borrowing costs that are attributable to the acquisition, construction, or production of a qualifying asset are capitalised as a part of the cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time (generally over twelve months) to get ready for its intended use or sale.
- (b) All other borrowing costs are recognised as expense in the period in which they are incurred.

2.14 Taxation:

Income Tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

Deferred tax

Deferred tax liabilities are generally recognised for all taxable temporary differences.

Deferred tax assets including Minimum Alternate Tax (MAT) are generally recognised for all taxable temporary differences to the extent that is probable that taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head “capital gains” are recognised and carried forward to the extent of available taxable temporary differences or where there is convincing other evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current Tax Assets and Current Tax Liabilities are offset when there is a legally enforceable right to set-off the recognised amounts and there is an intention to settle the asset and liability on a net basis. Deferred Tax Assets and Deferred Tax Liability are offset when they relate to the same governing taxation laws.

Current and Deferred tax is recognised in Statement of Profit and Loss, except when it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.15 Provisions, Contingent Liabilities and Contingent Assets:

Provisions : Provisions are recognised when there is a present legal or constructive obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured using the cash flows estimated to settle the present obligation at the Balance sheet date.

Contingent Liabilities : Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent Assets : Contingent assets are disclosed, where an inflow of economic benefits is probable.

2.16 Cash and cash equivalents:

Cash and Cash equivalents include cash, cheques on hand, cash at bank and short term deposits with banks having original maturity of three months or less, which are subject to insignificant risk of changes in value.

2.17 Statement of Cash Flows:

Cash flows are reported using the indirect method whereby profit / (loss) is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.18 Dividend to equity shareholders:

Dividend to equity shareholders is recognised as a liability and deducted from shareholders' equity, in the period in which the dividends are approved by the equity shareholders in the general meeting.

2.19 Earnings per Share:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

2.20 Critical accounting judgements and key sources of estimation uncertainty:

The preparation of financial statements in conformity with Ind AS requires that the management of the Company makes judgements, estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. The judgements, estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to significant accounting estimates include useful lives and impairment of property, plant and equipment, allowance for doubtful debts/advances, deferred tax assets, future obligations in respect of retirement benefit plans, expected cost of completion of contracts, allowances for inventories, etc. Difference, if any, between the actual results and estimates is recognised in the period in which the results are known.

**(i) Useful lives and Impairment of property, plant and equipment**

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This re-assessment may result in change in depreciation expense in future periods.

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists, or when annual impairment testing for an asset is required, the Company makes an estimate of the asset's recoverable amount. An asset's recoverable amount is the higher of its fair value less costs to sell and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets and the asset's value in use cannot be estimated to be close to its fair value. In such cases the asset is tested for impairment as part of the cash-generating unit to which it belongs. When the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset or cash-generating unit is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Impairment losses relating to continuing operations are recognised in those expense categories consistent with the function of the impaired asset.

(ii) Allowance for doubtful debts/advances

When determining the lifetime expected credit losses for trade receivables, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and credit assessment and including forward-looking information. Refer Note 8 (i).

(iii) Deferred tax assets

Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits. The amount of total deferred tax assets could change if estimates of projected future taxable income or if tax regulations undergo a change.

(iv) Employee Benefit Obligations

Employee benefit obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, employee benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(v) Allowance for Inventories

An inventory provision is recognised for cases where the realisable value is estimated to be lower than the inventory carrying value. The inventory provision is estimated taking into account various factors, including prevailing sales prices of inventory item and losses associated with obsolete / non-moving inventory items.

28 Employee benefit plans

1) Defined contribution plans :

The Company participates in defined contribution plans on behalf of relevant personnel. Any expense recognized in relation to these schemes represents the value of contributions payable during the period by the Company at rates specified by the rules of those plans. The only amounts included in the balance sheet are those relating to the prior months contributions that were not due to be paid until after the end of the reporting period.

The defined contribution plans are as below:

a) Provident fund

In accordance with the Employee's Provident Fund and Miscellaneous Provisions Act, 1952 eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions, as specified under the law, are made to the provident fund administered and managed by Government of India (GOI). The Company has no further obligations under the fund managed by the GOI beyond its monthly contributions which are charged to the Statement of Profit and Loss in the period they are incurred. The benefits are paid to employees on their retirement or resignation from the Company.

Contribution to Defined Contribution Plans, recognized in the Statement of Profit and Loss for the year under employee benefits expense, are as under :

2) Defined Benefit Plans :

The Defined Benefit Plan is as below:

Gratuity

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. It provides for lump sum payment to vested employees at retirement, on death while in employment or on termination of the employment in terms of the provisions of the Payment of Gratuity Act, 1972 or as per the Company's Scheme, as applicable. Vesting occurs upon completion of five years of service. The Company accounts for the liability for gratuity benefits payable based on an actuarial valuation.

The plan typically exposes the Company to actuarial risks such as: interest rate risk, longevity risk and salary risk.

Interest risk
Longevity risk
Salary risk

The most recent actuarial valuation of the present value of the defined benefit obligation was carried out at 31st March, 2021 by an independent actuary. The present value of the defined benefit obligation, the related current service cost and past service cost were measured using the projected unit credit method.

G. Sensitivity Analysis

The Sensitivity Analysis below has been determined based on reasonably possible change of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant. These sensitivities show the hypothetical impact of a change in each of the listed assumptions in isolation. While each of these sensitivities holds all other assumptions constant, in practice such assumptions rarely change in isolation and the asset value changes may offset the impact to some extent. For presenting the sensitivities, the present value of the Defined Benefit Obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the Defined Benefit Obligation presented above. There was no change in the methods and assumptions used in the preparation of the Sensitivity Analysis from previous year.

31. Revenue from operations upto 30th June 2017 includes excise duty which is discontinued effective 1st July 2017 upon implementation of Goods & Service Tax (GST) in India. In accordance with IND AS 18, ' Revenue' GST is not included in Revenue from operations.
32. Due to adverse conditions in steel industries on account of drastic fall in the prices of steel the company has been suffering operational losses since couple of years which is impacting the net worth of the company. The company's loan account is been classified as NPA by the consortium of banks and the company is not generating revenue to service the loans. Hence in view of uncertainty the company has not provided interest including penal interest and other dues for the year on borrowings, to the extent the same have remained unpaid.
33. As per the sanction of One Time Settlement (OTS) offer by all the consortium banks for Rs. 90 crores, the Company has already paid the first tranche of Rs. 50.62 crores leaving the balance of Rs. 39.38 crores. Further, as on March 31st, 2021; the total bank borrowings of above lenders is apprering at INR 217.85 crores, against the said outstanding, the bank had approved OTS amount of INR 90.00 crores. As per management assessment, the differential portion of borrowing i.e. INR 127.85 crores will be accounted as income (remission of bank liability) in the financial year in which the Company will make full and final payment towards the sanctioned OTS amount along with the fulfilment of other conditions mentioned therein and receipt of No-dues certificate from the lenders.
34. Even though the net worth of the Company has eroded and it has been incurring cash losses for past few years, The accounts have been prepared on going concern basis as the steel industry is on the revival path. The Company is in the process of coming out of the crisis through business restructuring and financial arrangement.
35. Some of the balances of Trade Receivables, Deposits, Loans & Advances, Advances received from customers, Liability for expenses and Trade Payables are subject to confirmation from the respective parties and consequential reconciliation/adjustment arising there from, if any. The management, however, does not expect any material variation. Further, Company had made payments on behalf of vendors to certain other parties.
36. In the opinion of the Management, Current Assets, Loans & Advances are approximately of the value stated, if realized, in the ordinary course of business. The provision for all known and determined liability is adequate and not in the excess of the amount reasonably required.
37. Company has considered the possible effect that may result from the pandemic relating to COVID-19 on the carrying amount of receivables, and inventory.
