**ANNEXURE TO NOTICE**

**Statement setting out the material facts pursuant to Section 102 of the Companies Act, 2013:**

**Item No.1:**

Considering the potential of the real estate and the infrastructure industry, that too with the proposal for ‘Smart Cities’ etc. the Board of Directors has proposed subject to approval of the members and such other statutory approvals, if any, to alter the Memorandum of Association of the Company by inserting sub-clause 2 (a) under sub-clause 2 of the Clause III A. Main objects of the Company. Further, the Company already having certain business expertise in this sector with the recent Strategic Alliance in Umbergaon developing the barren and unused land, it would be appropriate and conducive to the existing activities of manufacture of steel pipes and tubes, one of the prime components in the Real Estate and Infrastructure industries. Though the various sub-clauses of the incidental and ancillary objects provide for carrying out such business activities for a better business performance, the Board of Directors recommend insertion of the above-mentioned sub-clause as provided in the Notice of the postal ballot, by passing as a Special Resolution.

None of the Directors, Key Managerial Personnel of the Company or their relatives is deemed to be concerned or interested, either financially or otherwise, except to the extent of their shareholding in the said Special Resolution.

The Articles of Association of the Company as currently in force was originally adopted when the Company was incorporated under the Companies Act, 1956, and further amendments were adopted pursuant to the provisions from time to time, over the past several years. The references to specific sections of the Companies Act, 1956, in the existing Articles of Association may no longer be in conformity with the Companies Act, 2013. Considering that substantive sections of the Companies Act which deal with the general working of the companies stand notified, it is proposed to amend the existing Articles of Association to align it with the provisions of Companies Act, 2013, including the Rules framed thereunder and adoption of specific sections from Table “F” to Schedule I to the Companies Act, 2013, which sets out the model Articles of Association for a company limited by shares.

While some of the Articles of the existing Articles of Association of the Company require alteration or deletions, therefore it is considered expedient to wholly replace the existing Articles of Association by a new set of Articles. As per the provisions of Section 14 of the Companies Act, 2013, a Company cannot, except with the approval of the members, alter its Articles of Association. Members’ approval is therefore sought by means of postal ballot to adopt new set of Articles of Association by substitution of existing Articles of Association.

The Proposed new draft of Articles of Association of the Company is also available for inspection at the registered office of
the Company on all working days between 10:00 a.m. to 12:00 noon excluding Saturday and Sunday.

None of the Directors, Key Managerial Personnel of the Company or their relatives is deemed to be concerned or interested, either financially or otherwise, except to the extent of their shareholding in the said Special Resolution.

The Board of Directors of the Company recommends the Resolution as set out in Item No.2 of the accompanying Notice for approval of the members of the Company through Postal Ballot as a Special Resolution.
